## 2021

### Kimball/Wintermeyer Invitational

Thursday and Friday, April 29<sup>th</sup>- 30<sup>th</sup>

Eureka High School  
4525 Highway 109  
Eureka, MO 63025

Hi Coaches,

Due to Covid-19 we are having to make changes to the Eureka Girls Kimball/Wintermeyer Invitational. Some of these changes are in the schedule as well as certain Covid protocols. I have outlined some of the protocols below, but I will send an email with more information as we get closer to the date. Please read through everything carefully and let me know if you have any questions.

**Meet Schedule:** The meet schedule can be found on the following pages. In order to minimize the number of individuals on campus at one time we will be eliminating prelims in all events this year. JV will compete on Thursday and Varsity will compete on Friday.

The meet will also be run according to a time schedule. We will not get ahead of schedule. This will be done in order to minimize the number of people on the infield at one time.

**Entries:** Due to St. Louis County and Rockwood School District covid protocols each school will be allowed to enter a maximum of 32 athletes in each level. There is no crossing over between divisions. In the JV division you will be limited to two entries in the individuals events and 2 relays. Only the "A" relay will be scored. Varsity will be limited to 2 individuals and 1 relay.

**Scoring:** All events 10, 8, 6, 5, 4, 3, 2, 1

**Awards:** To control the cost of a smaller meet no awards will be given.

**Track Surface:** No spikes longer than ¼". Please use tennis balls on the track. No tape on the track or runways.

**Coaches Meeting:** 4:00pm on the benches near the starting line.

**Concessions** – Due to Covid no concessions will be available. Please make sure your athletes and coaches know that they are responsible for their own food and drinks.

### **Covid Protocols**

1. We will use a time schedule for all events. We will not start an event ahead of schedule. If we get behind schedule then we will use a rolling schedule until we get caught back up.
2. Masks are to be worn by all coaches and athletes at all times, unless warming up/competing/cooling down.
3. Track Infield - Please inform your athletes that the track infield is only for coaches and athletes actively warming up for their event. All others should stay in your team camp area.
4. Team Camp - Per St. Louis County Department of Health protocols no team tents are allowed. Each team will have a designated area to set up their team camp. All athletes should remain in their team area unless warming up/competing/cooling down. Coaches are asked to monitor your camp to ensure athletes are following proper social distancing and mask wearing protocols.
5. Warm Ups - Athletes will be allowed to use the South half of the football field to warm up. Preferably, athletes will use the grass field to the South East of the stadium for the majority of their warm up and will move to the turf closer to the beginning of their race.
6. Spectators - No spectators are currently being allowed.

7. It is possible that some of these protocols could change as we get closer to the date of the meet. Any changes will be communicated the week before the meet.
